

BIDISHA DASTIDER

PROFESSIONAL VFX & CGI LIGHTING RENDERING
AND
LOOK DEVELOPMENT COMPOSITING ARTIST

Dear SIR / MADAM,

I am very excited about the VFX and CGI Lighting & Rendering Artist position now available with your Organization and I am certain that I am the best applicant for this job.

I have obtained my degree in Animation and I took classes that covered Animation & VFX, drawing, computer graphics, and programming. I have extensive knowledge of the technology used in creating visual effects and I would appreciate an opportunity to put my skills and training to work for your company.

I have a very creative mind with the ability to think outside the box to come up with original and interesting designs that capture the viewer's attention and hold it until the very end. I am self-motivated with the ability to work independently but I also do well when working as part of a team. I welcome constructive criticism and use this information to make improvements. I also have the ability to stay focused and calm when working on a tight schedule.

I have a thorough knowledge of the computer software used in this profession and experience in Lighting And Compositing that fit in perfectly with the theme. I also have the skills to create Look Development of the environments to look realistic and to match the script they go with. I understand the importance of placement and I have the ability to adjust color and to ensure the Characters and Background correspond with the action of each scene.

You can reach me by calling (+918697029010) and I look forward to meeting with you in person to discuss the particulars of this position in more detail.

Respectfully,

Bidisha Dastider
